failures among other reasons, the Token will not be completed and the Token Issuance will not occur and thus the Company and any of its Affiliates shall be not responsible for any delay in the development and distribution of Tokens; (iii) the Token will fail to attract sufficient interest from key stakeholders; (iv) the Company may be subject to investigation and punitive actions from Governmental Authorities; and (v) the risks set forth in Exhibit B. The Purchaser understands and expressly accepts that the Tokens will be created and delivered to the Purchaser at the sole risk of the Purchaser on an “AS IS” and “UNDER DEVELOPMENT” basis. The Purchaser understands and expressly accepts that the Purchaser has not relied on any representations or warranties made by the Company outside of this Agreement, including, but not limited to, conversations of any kind, whether through oral or electronic communication, or any white paper or litepaper. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE PURCHASER ASSUMES ALL RISK AND LIABILITY FOR THE RESULTS OBTAINED BY THE USE OF ANY TOKENS AND REGARDLESS OF ANY ORAL OR WRITTEN STATEMENTS MADE BY THE COMPANY, BY WAY OF TECHNICAL ADVICE OR OTHERWISE, RELATED TO THE USE OF THE TOKENS.

- r. The Purchaser has sufficient understanding of cryptographic tokens, token storage mechanisms (such as token wallets), and blockchain technology to understand the terms in this Agreement and to appreciate the risks and implications of purchasing the Tokens. The Purchaser represents that the Purchaser has obtained sufficient information about the Tokens to make an informed decision to purchase the Tokens, and has read and understood the terms in this Agreement.
- s. The Purchaser understands that the Purchaser has no right against the Company or any other Person except in the event of willful default, intentional fraud or gross negligence committed by the Company, in each case as determined by a court of competent jurisdiction. THE COMPANY’S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT OR OTHERWISE, SHALL NOT EXCEED THE TOTAL OF THE AMOUNTS PAID TO THE COMPANY PURSUANT TO THIS AGREEMENT. NEITHER THE COMPANY NOR ITS REPRESENTATIVES SHALL BE LIABLE FOR CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE OR ENHANCED DAMAGES, LOST PROFITS OR REVENUES OR DIMINUTION IN VALUE, ARISING OUT OF OR RELATING TO ANY BREACH OF THIS AGREEMENT.
- t. The Purchaser understands that the Purchaser bears sole responsibility for any taxes as a result of the matters and transactions the subject of this Agreement, and any future acquisition, ownership, use, sale or other disposition of Tokens held by the Purchaser. It is Purchaser’s own responsibility to withhold, collect, report and remit the correct taxes to the appropriate tax authorities. To the extent permitted by Law, the Purchaser agrees to indemnify, defend and hold the Company or any of its Affiliates, employees or agents (including developers, auditors, contractors or founders) harmless for any claim, liability, assessment or penalty with respect to any taxes (other than any net income taxes of the Company that result from the issuance of Tokens to the Purchaser pursuant to Clause 1(a) of this Agreement) associated with or arising from the Purchaser’s purchase of Tokens hereunder, or the use or ownership of Tokens.
- u. Neither the Purchaser nor any of the Purchaser’s Affiliates is a Prohibited Person; nor has the Purchaser or any of the Purchaser’s Affiliates engaged in any dealings or transactions with any Prohibited Persons; and the Purchaser and its Affiliates have complied with all requirements of Laws, government orders or resolutions of United Nations relating to anti-money laundering, anti-terrorism, trade embargos and economic sanctions applicable to its or its Affiliates’ activities.

- v. The Purchaser represents, warrants and agrees that no payment or other transfer of value to the Company and no payment or other transfer of value by the Company in connection with the Token Issuance will cause the Company to be in violation of applicable U.S. federal or state or non-U.S. laws or regulations, including, without limitation, anti-money laundering, economic sanctions, anti-bribery or anti-boycott laws or regulations, the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (the “**PATRIOT Act**”), the various statutes, regulations and Executive Orders administered by the OFAC and the Foreign Corrupt Practices Act of 1977.
- w. The Purchaser represents, warrants and agrees that no payment or other transfer of value to the Company is or will be derived from, pledged for the benefit of, or related in any way to, (1) the government of any country designated by the U.S. Secretary of State as a country supporting international terrorism, (2) property that is blocked under any laws, orders or regulations administered by the OFAC (the “**OFAC Regulations**”), or that would be blocked under the OFAC Regulations if it were in the custody of a U.S. national, (3) persons to whom U.S. nationals cannot lawfully export services, or with whom U.S. nationals cannot lawfully engage in transactions, under the OFAC Regulations, or (4) directly or indirectly, any illegal activities.
- x. The Purchaser is not a citizen, resident (tax or otherwise), domiciliary and/or green card holder or other similar certificate of residency of a country (A) where participation in token sales is prohibited, restricted or unauthorized by applicable law, decree, regulation, treaty, or administrative act, or (B) where it is likely that the sale of the Tokens would be construed as the sale of a security (howsoever named), financial service or investment product (including without limitation the United States of America and People's Republic of China (each a “**Restricted Country**”)), nor is the Purchaser purchasing the Tokens from any Restricted Country, nor is the Purchaser an entity (including but not limited to any corporation or partnership) incorporated, established or registered in or under the laws of a Restricted Country, nor is the Purchaser purchasing the Tokens on behalf of any person or entity from a Restricted Country.

The Purchaser covenants to the Company that:

- a. The Purchaser is responsible for implementing reasonable measures for securing, if applicable, the wallet, vault or other storage mechanism used to receive and hold Tokens purchased under this Agreement, including any requisite private key(s) or other credentials necessary to access such storage mechanism(s). If the private key(s) or other access credentials are lost, the Purchaser may lose access to the Tokens. The Company is not responsible for any such losses.
- b. The Purchaser will not use the Tokens in connection with any activity that violates applicable Laws in any relevant jurisdiction, including, but not limited to, use of the Tokens in connection with transactions that violate U.S. federal or state securities or commodity laws.
- c. The Purchaser agrees to be bound by any affirmation, assent or agreement that it transmits to the Company or the Company's Affiliates by computer or other electronic device, including internet, telephonic and wireless devices, including, but not limited to, any consent it gives to receive communications from the Company or any of the Company's Affiliates through electronic transmission. The Purchaser agrees that the Company and any of the Company's Affiliates may send the Purchaser electronic copies of any and all communications associated with its purchase of Tokens.

7. No Warranty

The Tokens are sold and distributed “as is” and “as available”. THE COMPANY MAKES NO WARRANTY OF ANY KIND, IMPLIED, EXPRESS OR STATUTORY, INCLUDING ANY WARRANTIES OF TITLE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS, MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE AND FREEDOM FROM COMPUTER VIRUS OR OTHER MALICIOUS, DESTRUCTIVE OR CORRUPTING CODE, AGENT, PROGRAM OR MACROS, IS GIVEN IN CONJUNCTION WITH THE TOKENS, THE RIGHT, THIS AGREEMENT OR ANY INFORMATION AND MATERIALS PROVIDED TO THE PURCHASER. Except as expressly set forth herein, the Purchaser acknowledges that it has not relied upon any representation or warranty made by the Company, or any other Person on the Company’s behalf.

8. Limitation of Liability

- a. Except as covenanted under Clause 5, the Company shall in no event be liable, even if the Company has been advised of the possibility of such damages, losses or expenses, for any damages, loss or expense, including direct, indirect, special, or consequential damage, or economic loss, arising from or in connection with: (i) the Tokens, the right(s) and/or this Agreement; (ii) any system, server or connection failure, error, omission, interruption, delay in transmission, computer virus or other malicious, destructive or corrupting code, agent program or macros; or (iii) any images, services, products, information, data or other material made available by the Company.
- b. Without prejudice to the generality of the foregoing and covenants provided in this Agreement, the Purchaser will not hold the Company or its related corporations and their officers, employees or agents responsible or liable, in contract, tort (including ordinary negligence or breach of statutory duty), equity or otherwise, for any damages, losses, expenses or costs (whether direct or indirect, or whether foreseeable or not) suffered or incurred by the Purchaser arising out of or in connection with: (i) the purchase or the use of the Tokens by the Purchaser or other third party; or (ii) the Purchaser’s exercise of the Right.
- c. A failure, delay, or error by a party which prevents that party from complying with any of its obligations under this Agreement will not be considered a breach of this Agreement if the failure, delay or error is directly caused by an event beyond reasonable control of such party (“**Force Majeure**”), including but not limited to, floods, typhoons, earthquakes, wars or hostilities, acts or threats of terrorism, hacking or attempts at hacking, riots, social unrest, protests, strikes, loss of power, epidemics / pandemics, embargoes, fires, other acts of God, nuclear disaster, damage to communication facilities, damage to web hosts, or network failures from internet service providers. The party affected by Force Majeure shall notify the other party of such event within fifteen (15) days of the Force Majeure event. Subject to the party asserting Force Majeure notifying the other party in writing of the cause and its estimate of the likely duration of the delay as soon as practicable, the performance of the obligations of the party affected by Force Majeure under this Agreement, to the extent affected by the delay, shall be suspended during the period that the cause persists. However, the performance of the obligations of the party affected by Force Majeure under this Agreement shall be resumed from the date of the cessation of Force Majeure or the elimination of the event’s effects.

9. Indemnity

- a. The Purchaser agrees to indemnify and hold harmless the Company and its Affiliates and its and their respective related corporations, and any of its and their respective officers, directors, agents, employees and licensors (the “**Indemnified Parties**”), from and against any and all claims, actions, proceedings, suits, liabilities, damages, settlements, penalties, fines, costs or expenses (including legal fees on a solicitor-client basis) arising out of or relating to:
 - the Purchaser’s use of the Tokens and/or its exercise of the right;
 - the Purchaser’s responsibilities or obligations under this Agreement;
 - the Purchaser’s violation of any applicable Law or any rights of another Person or entity;
 - the breach or non-fulfillment of any representation and warranty or covenant made by the Purchaser in this Agreement;
 - the Purchaser’s provision of false, incomplete or misleading information (including, without limitation, citizenship, residency, nationality or place of incorporation); or
 - the Purchaser’s failure to secure a wallet, vault or other storage mechanism to receive or hold Tokens.
- b. Each party will cooperate fully in the defense of any allegation or third-party legal proceeding. Each party, as defendant in an allegation or third-party legal proceeding, reserves the right to assume the exclusive control and defense of any indemnified matter under this Clause 9.

10. Procedures for Purchase of Rights and Valuation of Purchase Amount

- a. The Company will only accept payment for the Tokens purchased under this Agreement in the payment form specified in the table above (“**Payment Form**”). The Purchaser shall make the required payment to the Company in consideration for the Purchaser’s purchase of the Tokens pursuant to the Agreement by sending an amount of such Payment Form equal to the Purchase Amount to the wallet address set forth Payment Form above.
- b. The Purchaser acknowledges and agrees that the Purchase Amount shall not be refundable, in whole or in part, under any circumstances.
- c. The Purchaser acknowledges and agrees that the Purchaser is required to provide user information and must pass a Know Your Customer (“**KYC**”) test, whereby the Purchaser will be screened against Office of Foreign Assets Control lists and other watch lists. The benefits provided by the Tokens shall be denied for any party that fails to meet the KYC suitability screening requirements. After accepting the Purchase Amount, the Company, or its nominee, shall perform the relevant KYC checks from a suitable independent KYC provider and keep a copy for its records, and the Purchaser agrees to provide any and all relevant information and assistance in this process in a timely manner. To the extent that the Company determines in its sole and absolute discretion that it is reasonably necessary to obtain certain information about the Purchaser in order to comply with any applicable Laws in connection with the Agreement,

the Purchaser shall provide the Company with such information promptly upon request, and the Purchaser acknowledges and agrees that the Company may refuse to proceed with the Token Issuance or withhold delivery of the Purchaser Tokens to the Purchaser until such requested information has been provided to the reasonable satisfaction of the Company in its sole discretion.

- d. The Purchaser acknowledges and agrees that the Purchaser's signature on this Agreement may be held in escrow until the Purchaser satisfies the Company's KYC and anti-money laundering process. In the event that the Purchaser fails to satisfy the Company's KYC and anti-money laundering process, the Company has the right to immediately terminate this Agreement and will fully refund or refuse to accept the Purchase Amount (as applicable) from the Purchaser.
- e. The Company reserves the right to refuse or reject any offer to sell the Tokens to the Purchaser in the event that, based on information available to the Company, the Company is suspected of receiving the Purchase Amount from the Purchaser, in connection with any money laundering, terrorism financing, or any other illegal activity. In addition, the Company shall be entitled to use any possible efforts for preventing money laundering, terrorism financing or any other illegal activity, including without limitation blocking of the Purchaser's digital wallet or providing information regarding the Purchaser to any regulatory authority.

11. CANCELLATION; REFUSAL OF PURCHASE REQUESTS

- a. The Purchaser's purchase of the Tokens (whether through an intermediary or otherwise) from the Company is final, and there are no refunds or cancellations except as may be required by applicable law or regulation; and the Purchaser waives any rights to be refunded any amounts which it has paid to the Company in exchange for the Tokens or to cancel any purchase.
- b. At any time prior to the date that the Tokens are issued and delivered to the Purchaser, the Company reserves the right to refuse or cancel any request(s) to purchase or purchases of the Tokens, or any part thereof, and return the corresponding proportion of the purchase price to the Purchaser.
- c. Notwithstanding the foregoing, the Company reserves the right to refuse or cancel any request(s) to purchase or purchases of the Tokens (as the case may be), or any part thereof, at any time in the Company's sole and absolute discretion (without giving reasons), including, without limitation, in connection with an adverse change of the regulatory environment.
- d. Any refund of the price under this Clause 11 shall be less network fees, calculated at the USD exchange rate of the relevant token which had been paid to the Company, at the time of payment or refund, whichever would result in a lower fiat / USD value of the refund (as the same may be conclusively determined by the Company). No interest will accrue on the value of any refund and the Company shall be entitled to charge a processing fee not exceeding 15% of the refund amount.
- e. At any time during the sale of the Tokens, the Company may either temporarily suspend or permanently abort the Token sale (whether relating to the private sale or public sale phase, or both) at its sole discretion without providing any reasons whatsoever. During any period of suspension or in the event that the Token sale is aborted (whether relating to the private sale or public sale phase, or both), the Tokens will not be available for purchase.

12. DISPUTE RESOLUTION; ARBITRATION

PLEASE READ THE FOLLOWING CLAUSE CAREFULLY BECAUSE IT CONTAINS CERTAIN PROVISIONS, SUCH AS A BINDING ARBITRATION CLAUSE AND CLASS ACTION WAIVER, WHICH AFFECTS THE PURCHASER'S LEGAL RIGHTS. THIS CLAUSE REQUIRES THE PURCHASER TO ARBITRATE CERTAIN DISPUTES AND CLAIMS WITH THE COMPANY AND LIMITS THE MANNER IN WHICH THE PURCHASER CAN SEEK RELIEF FROM THE COMPANY.

- a. Each Party (i) waives all its respective right(s) to have any and all disputes, claims, suits, actions, causes of action, demands or proceedings (collectively, "**Disputes**") arising from or related to this Agreement resolved in a court, and (ii) waives all its respective right(s) to have any Disputes heard before a court. Instead, each Party shall arbitrate Disputes through binding arbitration (which is the referral of a Dispute to one or more persons charged with reviewing the Dispute and making a final and binding determination to resolve it instead of having the Dispute decided by a judge or jury in court).
- b. Any dispute, controversy, difference or claim arising out of or relating to this Agreement, including the existence, validity, interpretation, performance, breach or termination thereof or any dispute regarding non-contractual obligations arising out of or relating to it shall be referred to and finally resolved by arbitration administered under the Cayman Islands Arbitration Act (2012). The seat of arbitration shall be the Cayman Islands. The number of arbitrators shall be one. The arbitration proceedings shall be conducted in English.
- c. Prior to commencing arbitration proceedings in accordance with this Clause 12, each Party will notify the other Party in writing of any Dispute within thirty (30) calendar days of the date it arises, so that the Parties can attempt in good faith to resolve the Dispute informally. Notice to the Company shall be sent by e-mail to the Company at info@crypto528.com. Notice to the Purchaser shall be either posted on the Website or, if available, will be sent by email to any email address provided by the Purchaser in connection with its purchase of Tokens. Such notice to the Company must include (i) the Purchaser's full name, postal address, email address and telephone number, (ii) a full and sufficient description of the nature or basis of the Dispute, and (iii) the specific relief sought by the Purchaser. If the Purchaser and the Company cannot agree how to resolve the Dispute within thirty (30) calendar days after the date the notice is received by the applicable Party, then either the Purchaser or the Company may, as appropriate and in accordance with this Clause 12, commence an arbitration proceeding.
- d. Each Party agrees to keep all matters relating to this arbitration, including the arbitral awards, confidential, except as is otherwise required by court order or as is necessary to confirm, set aside or enforce the arbitral award and for disclosure in confidence to each Party's respective legal, financial or other professional advisors.
- e. Any claim or dispute arising under the terms of this Agreement or relating to the Token sales will take place on an individual basis without resort to any form of class or representative action, including any class arbitration ("**Class Action Waiver**"). THIS CLASS ACTION WAIVER PRECLUDES ANY PARTY FROM PARTICIPATING IN OR BEING REPRESENTED IN ANY CLASS OR REPRESENTATIVE ACTION REGARDING A CLAIM. Regardless of anything else in this Agreement

to the contrary, the validity and effect of the Class Action Waiver may be determined only by a court or referee and not by an arbitrator. The arbitrator may only conduct an individual arbitration and may not consolidate more than one individual's claims, preside over any type of class or representative proceeding or preside over any proceeding involving more than one individual. The Purchaser acknowledges that this Class Action Waiver is material and essential to the arbitration of any disputes between the Parties and is non-severable from the terms of this Agreement.

13. Release

To the fullest extent permitted by applicable law, the Purchaser releases the Company and the Indemnified Parties from responsibility, liability, claims, demands and/or damages (actual and consequential) of every kind and nature, known and unknown (including, but not limited to, claims of negligence), arising out of or related to disputes between users of the Network and the acts or omissions of third parties. The Purchaser expressly waives any rights the Purchaser may have under any statute or common law principles that would otherwise limit the coverage of this release to include only those claims which the Purchaser may know or suspect to exist in its favour at the time of agreeing to this release.

14. Miscellaneous

- a. This Agreement sets forth the entire agreement and understanding of the parties relating to the subject matter herein and supersedes all prior or contemporaneous disclosures, discussions, understandings and agreements, whether oral or written, between them. This Agreement is one of a series of similar agreements entered into by the Company from time to time. Any provision of this Agreement may be amended, waived or modified only upon the written consent of the parties hereto.
- b. Any notice required or permitted by this Agreement will be deemed sufficient when sent by email to the relevant address listed on the signature page, as subsequently modified by written notice received by the appropriate party.
- c. The Purchaser is not entitled, as a holder of the Token, to vote or receive dividends or be deemed the holder of capital stock of the Company for any purpose, nor will anything contained herein be construed to confer on the Purchaser, as such, any of the rights of a stockholder of the Company or any right to vote for the election of directors or upon any matter submitted to stockholders at any meeting thereof, or to give or withhold consent to any corporate action or to receive notice of meetings, or to receive subscription rights or otherwise.
- d. Neither this Agreement nor the rights contained in this Agreement may be assigned, by operation of law or otherwise, by either party without the prior written consent of the other; *provided*, however, that the Company may assign this Agreement in whole or in part, without the consent of the Purchaser, to any of the Company's Affiliates or in connection with a reincorporation or restructure to change the Company's domicile.
- e. In the event any one or more of the provisions of this Agreement is for any reason held to be invalid, illegal or unenforceable, in whole or in part or in any respect, or in the event that any one or more of the provisions of this Agreement operate or would prospectively operate to

invalidate this Agreement, then and in any such event, such provision(s) only will be deemed null and void and will not affect any other provision of this Agreement and the remaining provisions of this Agreement will remain operative and in full force and effect and will not be affected, prejudiced, or disturbed thereby.

- f. All representations and warranties in this Agreement will survive the execution and delivery of this Agreement.
- g. The Purchaser must, at its own expense, whenever requested by the Company, promptly do or cause to be done everything reasonably necessary to give full effect to this Agreement and the transactions contemplated by this Agreement.
- h. The rights, remedies and powers of the parties under this Agreement are cumulative and not exclusive of any rights, remedies or powers provided to the parties hereto by law.
- i. The provisions of this Agreement will enure for the benefit of and be binding on the parties to this Agreement and their respective successors and permitted substitutes and assigns and (where applicable) legal personal representatives.
- j. This Agreement (including any non-contractual obligations arising out of or in connection herewith) shall be governed by, and construed in accordance with, the laws of the British Virgin Islands, without reference to the choice of law principles thereof.
- k. This Agreement may be signed in counterparts, each of which will constitute an original and all of which taken together will constitute one and the same instrument.

EXHIBIT B

RISK FACTORS ASSOCIATED WITH CRYPTO 528 TOKENS

Important Note: As noted elsewhere in the Token Sale Agreement, the Tokens are not being structured or sold as securities or any other form of investment product. Accordingly, none of the information presented in this **Exhibit B** is intended to form the basis for any investment decision, and no specific recommendations are intended. Company expressly disclaims any and all responsibility for any direct or consequential loss or damage of any kind whatsoever arising directly or indirectly from: (i) reliance on any information contained in this **Exhibit B**, (ii) any error, omission or inaccuracy in any such information or (iii) any action resulting from such information.

By purchasing, holding and using CRYPTO 528 TOKENS, you expressly acknowledge and assume the following risks:

1. ***Risk of Losing Access to Tokens Due to Loss of Private Key(s), Custodial Error or Purchaser Error***
A private key, or a combination of private keys, is necessary to control and dispose of Tokens stored in your CRYPTO 528 account. Accordingly, loss of requisite private key(s) associated with your CRYPTO 528 account storing Tokens will result in loss of such Tokens. Moreover, any third party that gains access to such private key(s), including by gaining access to login credentials of a CRYPTO 528 account, may be able to misappropriate your Tokens. Any errors or malfunctions caused by or otherwise related to CRYPTO 528 account you choose to receive and store CRYPTO 528 TOKENS, including your own failure to properly maintain or use such CRYPTO 528 account, may also result in the loss of your Tokens. Additionally, your failure to follow precisely the procedures for buying and receiving Tokens, including, for instance, if you provide the wrong address for receiving Tokens, may result in the loss of your Tokens.
2. ***Risk of Mining Attacks***
As with other decentralized cryptographic Tokens based on the Blockchain protocol, Tokens are susceptible to attacks by miners in the course of validating Tokens transactions on the Blockchain, including, but not limited to, double-spend attacks, majority mining power attacks, and selfish-mining attacks. Any successful attacks present a risk to the Platform and Tokens, including, but not limited to, accurate execution and recording of transactions involving Tokens.
3. ***Risk of Hacking and Security Weaknesses***
Hackers or other malicious groups or organizations may attempt to interfere with the Platform or Tokens in a variety of ways, including, but not limited to, malware attacks, denial of service attacks, consensus-based attacks, Sybil attacks, smurfing and spoofing. Furthermore, there is a risk that a third party or a member of the Company may intentionally or unintentionally introduce weaknesses into the core infrastructure of the Platform, which could negatively affect the Platform and Tokens, including Tokens' utility for using the Platform.
4. ***Risk of Uninsured Losses***
Unlike bank accounts or accounts at some other financial institutions, Tokens are uninsured unless you specifically obtain private insurance to insure them. Thus, in the event of loss or loss of utility value, there is no public insurer or private insurance arranged by us, to offer recourse to you.
5. ***Risks Associated with Uncertain Regulations and Enforcement Actions***
The regulatory status of Tokens and distributed ledger technology is unclear or unsettled in many jurisdictions. It is difficult to predict how or whether regulatory agencies may apply existing

regulation with respect to such technology and its applications. It is likewise difficult to predict how or whether legislatures or regulatory agencies may implement changes to law and regulation affecting distributed ledger technology and its applications, including the Platform and Tokens. Regulatory actions could negatively impact the Platform and Tokens in various ways. Company may cease operations in a jurisdiction in the event that regulatory actions, or changes to law or regulation, make it illegal to operate in such jurisdiction, or commercially undesirable to obtain the necessary regulatory approval(s) to operate in such jurisdiction.

6. ***Risks Arising from Taxation***

The tax characterization of Tokens is uncertain. You must seek your own tax advice in connection with purchasing Tokens, which may result in adverse tax consequences to you, including withholding taxes, income taxes and tax reporting requirements.

7. ***Risk of Weaknesses or Exploitable Breakthroughs in the Field of Cryptography***

Advances in cryptography, or technical advances such as the development of quantum computers, could present risks to crypto currencies and the Platform and Tokens, which could result in the theft or loss of Tokens.

8. ***Risk of Insufficient Interest in the Platform or Distributed Applications***

It is possible that the Platform will not be used by a large number of individuals, companies and other entities or that there will be limited public interest in the creation and development of distributed platforms (such as the Platform) more generally. Such a lack of use or interest could negatively impact the development of the Platform and the potential utility of Tokens.

9. ***Risks Associated with the Development and Maintenance of the Platform***

The Platform is still under development and may undergo significant changes over time. Although Company intends for Tokens and the Platform to follow the specifications set forth in **Whitepaper**, and will take commercially reasonable steps toward those ends, Company may have to make changes to the specifications of Tokens or the Platform for any number of legitimate reasons. This could create the risk that Tokens or the Platform, as further developed and maintained, may not meet your expectations at the time of purchasing Tokens. Furthermore, despite our good faith efforts to develop and maintain the Platform, it is still possible that the Platform will experience malfunctions or otherwise fail to be adequately developed or maintained, which may negatively impact the Platform and the potential utility of Tokens.

10. ***Risk of an Unfavorable Fluctuation of Ether and Other Currency Value***

The Company intends to use the proceeds from selling Tokens to fund the maintenance and development of the Platform. If the value of Ether or other currencies fluctuates unfavorably during or after the Sale Periods, the Company may not be able to fund development, or may not be able to develop or maintain the Platform in the manner that it intended.

11. ***Risk of Dissolution of Company***

It is possible that, due to any number of reasons, including, but not limited to, an unfavorable fluctuation in the value of cryptographic and fiat currencies, decrease in Tokens' utility, the failure of commercial relationships, or intellectual property ownership challenges, the Platform may no longer be viable to operate and Company may dissolve.

12. ***Unanticipated Risks***

In addition to the risks included in this **Exhibit B**, there are other risks associated with your purchase, holding and use of Tokens, including those that Company cannot anticipate. Such risks

may further materialize as unanticipated variations or combinations of the risks discussed in this **Exhibit B**.
